Rigo White

Rigo Grey

Rigo Mud

Rigo Black

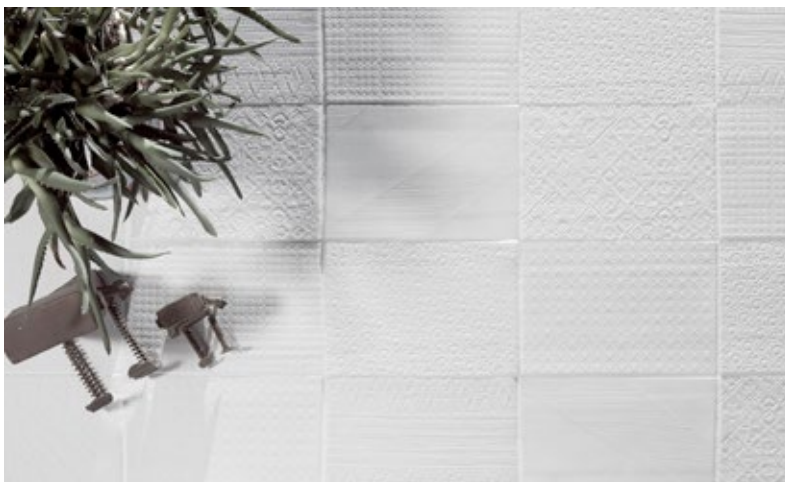

## CLAY41

Earth, shaped by soft and sinuous movements, undergoes an evolution from simple clay, with basic and primordial characteristics to a retouched material that is clean lined and contemporary.

CLAY41, the perfect compliment for RIGO and SIGNS . . . . . the same 4 colors in a format well suited to expansive floor/wall installations with a subtle and refined character offering a suitable counterpoint to the intimacy of RIGO and SIGNS.

## **SIGNS**
